

Logan Lake Minor Hockey Return to Play 2020 Plan

COVID-19 Response Waiver

As a result of COVID-19 the LLMHA is required to create a Return to Play plan for the 2020/2021 hockey season.

An outcome of this plan requires all Parents/Guardians to read and acknowledge the following plan that all players and their Parents/Guardians must comply with.

Any players or parents/guardians found to not be in compliance with the following will result in their immediate removal from any LLMHA hockey activities.

- All individuals must maintain 2 meters from others at all times.
- Maximum of 50 people in the arena (including participants, coaches, spectators, staff, etc.)
- Follow on-site signage.
- Enter only through marked entrance door, Exit only through marked exit door.
- Follow flow lines marked on floor to ice entrance or dressing room entrance (coaches and goaltenders only in dressing room)
- Players will arrive at the arena dressed to play to the greatest extent possible.
 - Players will arrive no soon then 5 minutes before their practice commences.
 - Players will arrive fully dresses with labelled skate guards on.
 - Goaltenders and coaches ONLY will be permitted in designated change rooms no more the 15 minutes before their practice commences.
 - Water bottles will be labeled by player's name and washed and filled at home.
 - Players must leave the arena immediately after their practice.
- Benches may be used with socially distanced guidelines provided. Players must place water bottles on top rail at Players Box using markings provided.
- Gloves and equipment must be left on the players at all times. No handling of pucks by the players. Coaches are to pick up the pucks at the end of the skate.
- Group times will be organized to minimize the possibility of 2 player groups having a cross-over.
- Attendance will be taken to assist with contact tracing.
- One parent/guardian (only) must accompany players aged U11 (Atom) and under to all practices.
- Physical distancing of 2 metres will be adhered by all individuals on and off the ice. Masks will be available for coaches and safety people when a player is injured and is required to assist.
- We will identify an isolation room with signage in the event a player becomes ill at the arena.
- The use of arena areas other than the ice surface will be minimized and sanitized after each group if used. Showers will not be used.
- Responsible hygiene behaviour practiced, washing hands, sanitizing equipment, no spitting.
